WELCOME TO QUANTUMatter

The 6th edition of the Quantum Matter International Conference – QUANTUMatter 2026 (Barcelona, Spain)– aims at gathering the various communities engaged in the science and technologies of quantum information and quantum matter, to foster the incubation of new ideas & collaborations at the forefront of quantum technologies, emerging quantum materials and novel generations of quantum communication protocols, quantum sensing and quantum simulation.

Quantum Information and Quantum Matter are two components of revolutionary treatments of information, which are becoming cornerstones for discovering and implementing disruptive paradigms in quantum computation and quantum technologies.

WHY SPONSOR?

- Increased exposure and awareness for your company
- Recognition in Conference print materials distributed to all attendees
- Multiple promotional and sponsorship opportunities
- Grow your business
- Meet new contacts that could become future partners
- Raise your company's visibility, increase your brand awareness and highlight your company's presence as an active and important player in the field.
- Company name listed on www.quantumconf.eu with a link to your company's Web site

SPONSOR PACKAGES

Conference sponsorship is an effective platform to build relationships, to generate brand awareness and engage the participants. A number of sponsorship options are available, including placement of your logo and advertising material on delegate bags, conference dinner or coffee breaks, student's grants, to name just a few.
